Pre-COP26 virtual event Nitrogen for Climate and Green Recovery 27-29 April 2021

Launching the #Nitrogen4NetZero initiative

The British High Commission in Colombo and the Government of Sri Lanka are pleased to invite you to a pre-COP26 virtual event to learn about the link between nitrogen & climate change. This regional event will open with speeches from H.E. the President of Sri Lanka and the UK presidency of COP26, together with Ministers from across South Asia and other VIP statements.
