Recent PCU Activity

- ▶ Website
 - ▶ Progress: Update web structure and moved to CEH servers
 - ▶ Background information on project including team members
 - ▶ Event advertising and logistics
- ▶ INMS-3 Organisation
- ▶ Setting internal systems in place for project and financial management of INMS
- ▶ Developing, issuing and negotiating INMS Contracts
- ▶ Partner queries
- ▶ Wiki development, for reporting (Q1 complete, Q2 drawing to a close) and Activity development
- ▶ Managing contact details

Next steps...

- ▶ Website: Data portal, information sharing
 - ▶ Storage of meeting reports
 - ▶ Storage of outputs/documents
 - ▶ Add archive of previous meeting reports
 - ▶ More dynamic and engaging information regarding project – slidesets, videos etc
- ▶ Wiki: Engage with Activity leads on developing relevant pages
- ▶ Newsletter
 - ▶ Next newsletter planned to co-incide with reports from this meeting
 - ▶ Will use INMS-3 to gain feedback on newsletter process and to request inputs for next edition
- ▶ Partner Contact
 - ▶ Engage in discussion with partners during INMS-3
 - ▶ Contact all partners not attending INMS-3, who we are not already working with, to discuss their ongoing interests
 - ▶ Add new partners to the project, where requested

INMS Timeline

Contracts

- ▶ Issuing and negotiating challenges
- ▶ Developing a clear way forward, with guidance for partners on IPR and publications
- ▶ Following initial wrap-up items from INMS-3, it is the key focus
